

ATOXIFLEX SUCTION HD

Inner Tube: non-toxic white rubber tube
 Reinforcement: high tensile textile braid with steel helix wire.
 Cover: smooth (wrapped), made from white rubber that is abrasion resistant and which can also be manufactured in other colors.

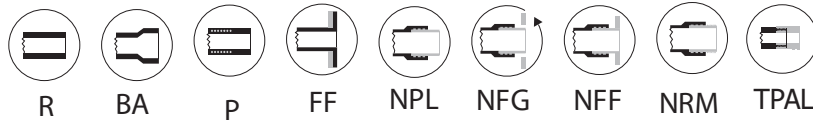

**80°C
MAX.**

APPLICATION

For heavy-duty services involving the pumping and suction of drinking water, food products, pharmaceuticals and beverages in general that require a sanitary hose approved by the FDA. Specially built, which allows for excellent flexibility. Full-face end fittings available only up to a pressure of 150PSI, above that, only integral nipples are available.

END FITTINGS
